## Sex and Sexuality in Early America

What role did sexual assault play in the conquest of America? How did American attitudes toward female sexuality evolve, and how was sexuality regulated in the early Republic? Sex and sexuality have always been the subject of much attention, both scholarly and popular. Yet, accounts of the early years of the United States tend to overlook the importance of their influence on the shaping of American culture. *Sex and Sexuality in Early America* addresses this neglected topic with original research covering a wide spectrum, from sexual behavior to sexual perceptions and imagery. Focusing on the period between the initial contact of Europeans and Native Americans up to 1800, the essays encompass all of colonial North America, including the Caribbean and Spanish territories. Challenging previous assumptions, these essays address such topics as rape as a tool of conquest; perceptions and responses to Native American sexuality; fornication, bastardy, celibacy, and religion in colonial New England; gendered speech in captivity narratives; representations of masculinity in eighteenth-century seduction tales, the sexual cosmos of a southern planter, and sexual transgression and madness in early American fiction. The contributors include Stephanie Wood, Gordon Sayre, Steven Neuwirth, Else L. Hambleton, Erik R. Seeman, Richard Godbeer, Trevor Burnard, Natalie A. Zacek, Wayne Bodle, Heather Smyth, Rodney Hessinger, and Karen A. Weyler.

#### **Gladys Jackson:**

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Sex and Sexuality in Early America can make you experience more interested to read.
