Lewis Carroll

Alice's Adventures in Wonderland [illustrated] Lewis Carroll

Includes Sir John Tenniel's classic illustrations, along with a gallery of art from six different artists' interpretations!

Mix equal parts creativity, bewilderment, and complete nonsense and you have Alice's Adventures in Wonderland. On a day that begins like any other, Alice notices a rabbit—a rabbit with a pocket watch. She chases after it and stumbles down a hole... and keeps falling and falling and falling. That's when things start to get weird. She encounters a bizarre cast of characters — the Mad Hatter, the March Hare, a pipe-smoking caterpillar, the Pigeon, a Duchess, the Cook, and the decapitation-happy Queen of Hearts. It's an adventure of completely intolerable logic, as witty as it is completely insane.

From reader reviews:

Randy Johnson:

What do you about book? It is not important along? Or just adding material when you require something to explain what your own problem? How about your free time? Or are you busy man? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everybody has many questions above. The doctor has to answer that question simply because just their can do that will. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this specific Alice's Adventures in Wonderland [illustrated] to read.

Nicole Dilbeck:

As people who live in the modest era should be upgrade about what going on or facts even knowledge to make these individuals keep up with the era that is always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice for you but the problems coming to anyone is you don't know which one you should start with. This Alice's Adventures in Wonderland [illustrated] is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

Marilyn McDermott:

Nowadays reading books become more and more than want or need but also get a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The info you get based on what kind of publication you read, if you want get more knowledge just go with knowledge books but if you want truly feel happy read one with theme for entertaining for instance comic or novel. Often the Alice's Adventures in Wonderland [illustrated] is kind of guide which is giving the reader capricious experience.

Marilyn Perez:

That reserve can make you to feel relax. This specific book Alice's Adventures in Wonderland [illustrated] was multi-colored and of course has pictures around. As we know that book Alice's Adventures in Wonderland [illustrated] has many kinds or variety. Start from kids until teens. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. Therefore , not at all of book are generally make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading in which.
