An Illustrated History of Western Europe [Quintessential Classics]: From the fall of the Western Roman Empire to the eve of World War I James Robinson

By far one of the greatest history books ever written, James Robinson's classic of Western European history is an absolute must-read for anyone seeking a greater understanding of the power struggles and armed conflicts that formed the Europe, and the world, of today.

Spanning over a thousand years, from the stunning fall of the western Roman Empire to the rise of the German industrial/military empire on the eve of World War I, Robinson weaves a beautiful, easy to read historical narrative of the major events and figures of European history. From Philip Augustus to Prince Metternich, from Charles Martel to the Holy Roman Empire and the Papal States, James Robinson's heavily illustrated history takes you on a journey of several lifetimes, and aims to leave you better and more informed than when you began.
