Spanning over twenty years, 20 masters and modern authors of hardcore horror share their most bad-ass stories in this special edition from Comet Press. Many hard to find and out of print, some that were banned, Necro Files covers every imaginable mode of mayhem including serial killers, necrophilia, cannibals, werewolves, zombies, sex fetishes, psychopaths, snuff, occult, and more stories that dial into the dark side of human nature. Contains violence, gore, adult language and sex. **EDITORIAL REVIEWS** "Necro Files is practically perfect. Every story is an absolute hit...and why not? We're talking John Everson, Bentley Little, Edward Lee, Joe Lansdale and George R.R. Martin, to name a few. All of the stories are dark and disturbing in their own ways, and, well, extreme. This is one anthology that horror fans, not just of the extreme variety, should have in their collections. Highly recommended." --**Monster Librarian** **TABLE OF CONTENTS:**
