Daily Life through American History in Primary Documents [4 volumes] Randall M. Miller Ph.D., Theodore J. Zeman, Francis J. Sicius, Jolyon P. Girard

With this book, students, teachers, and general readers get a most important look at primary documents?essentially history's "first draft"?revealing rare insights into how American life in past eras really was, and also about how professional historians begin their work.

- More than 200 selected primary documents drawn from more than four centuries of American life
- General overviews for each broad topic and analytical introductions to each specific document by the editor
- A chronological presentation of American history from colonial times to the present
- Brief biographical information on the author and historical context for each document
