Morning and Evening: Daily Readings Charles Haddon Spurgeon

Morning and Evening by Charles Haddon Spurgeon is one of the most famous and most popular devotional books of the last 120 years.

One of the strengths of Spurgeon's books in general is that they are of a consistently high spiritual quality. You can safely pick up any book of his and rest assured that you will receive spiritual help, wisdom and insight through reading it.

The special benefit of this devotional book is that it covers a wide range of topics, treats of them in a few words and varies in its approach.

I have been blessed spiritually in the preparation of the book and I trust that you will be blessed as you use it.
