Salem, Massachusetts (Images of America (Arcadia Publishing)) Kenneth C. Turino, Stephen J. Schier
Including many images that have never been published, Salem, Massachusetts Volume II captures one of America's most historic cities from the 1870s to the third quarter of the twentieth century. The photographs, drawn mainly from private collections, document the citizens of the area, their institutions, and their celebrations, as well as the neighborhoods that make up this vibrant city. Salem, Massachusetts Volume II represents an important contribution to the recorded history of the area and is a wonderful companion to the authors' first book. This impressive pictorial collection will surely occupy a valued place on the bookshelves of residents and area historians for many years to come.
