* * * A hot historical romance from USA TODAY Bestselling Romance Author Jess Michaels * * *

Jude Samson has worked for the Woodley family for such a long time that he is seen as a brother. But he has very unbrotherly feelings toward the youngest of the clan, Lady Audrey. When they find themselves off at the family's country estate, long simmering desires will come to the forefront and Jude won't be able to stop himself from taking that one, oh-so-forbidden taste.

After seeing what it has done to her family, Audrey is afraid of passion. But the moment Jude touches her, fear is washed away by intense and powerful lust. Only Jude has a secret that could destroy everything that is beginning to develop between them. And when it comes out, it will change everything.
