Getting together was the easy part; staying together is proving to be a tad difficult.

Sydney and Dean decided they want to work out their long-distance relationship, for better or worse. What sounded great in theory is proving to be more difficult in action. Jealous ex-lovers, newfound Internet fame, and separate lives make them both question if there is truth to famous adage – true love endures all.

Can the lovebirds make it work? Or will their relationship be sent to the penalty box?

Game Misconduct is the second part to the Breakaway series; a New Adult trilogy romance deals with long-distance relationships, trust, and finding yourself again.
