Dinosaurs love to Stomp! Come join a ""Trex"" or two and their entourage for this Paleo Era, Jurassic, Epic Dance Party! Don't forget the balloons!

If your little one is too young to go see Chris Pratt star in Jurassic World, but still want to have some Dino fun, then Paleo Stomp! is right up your alley. And no, it has nothing to do with the Paleo Diet, Paleo Snacks, or Paleo Wraps (although the Brontosaurus could lose a few pounds)! Rather it is a fun tale about the Paleozoic Era and a friendly raptor squad.

You'll be eager to read other books by Michelle Tucker such as Dogs Can't Paint! and Harrison. And if your child is a fan of Dragons, Dinosaurs and other Prehistoric Reptiles, or just loves to stomp, then Paleo Stomp! is the perfect addition!

Paleo Stomp! is part of the Eco-Series lineup - which encourages little ones to honor our beautiful Earth and it's incredible animals.

And finally, thank you for purchasing this book! I hope you enjoy sharing it with your child. If you are ever completely bored, with nothing to do, on a rainy day, would you mind writing a review below? Did you like the story? Characters? Illustrations? Honest feedback only!
