This bestselling book has been used in schools across the country to establish efficient and cost-effective systems of Tier II positive behavior support. The Behavior Education Program (BEP) was developed for the approximately 10-15% of students who fail to meet schoolwide disciplinary expectations but do not yet require intensive, individualized services. Clear, step-by-step guidelines are provided for implementing the approach, which incorporates daily behavioral feedback, positive adult attention, and increased home-school collaboration. In a large-size format with lay-flat binding to facilitate photocopying, the book includes reproducible daily progress reports, handouts, and planning tools. Purchasers also get access to a Web page where they can download and print the reproducible materials.
