The Flying Circus Susan Crandall

From the bestselling and award-winning author of *Whistling Past the Graveyard* comes an adventure tale about two daredevils and a farm boy who embark on the journey of a lifetime across America's heartland in the Roaring Twenties.

Set in the rapidly changing world of 1920s America, this is a story of three people from very different backgrounds: Henry "Schuler" Jefferson, son of German immigrants from Midwestern farm country; Cora Rose Haviland, a young woman of privilege whose family has lost their fortune; and Charles "Gil" Gilchrist, an emotionally damaged WWI veteran pilot. Set adrift by life-altering circumstances, they find themselves bound together by need and torn apart by blind obsessions and conflicting goals. Each one holds a secret that, if exposed, would destroy their friendship. But their journey of adventure and self-discovery has a price—and one of them won't be able to survive it.

As they crisscross the heartland, exploring the rapidly expanding role of aviation from barnstorming to bootlegging, from a flying circus to the dangerous sport of air racing, the three companions form a makeshift family. It's a one-of-a-kind family, with members as adventurous as they are vulnerable, and as fascinating as they are flawed. But whatever adventure—worldly or private—they find themselves on, they're guaranteed to be a family you won't forget.
