## **Le Livre Blanc** Anne-Sophie Pic

*Le Livre Blanc* is a cookbook that reinvents cuisine. Anne-Sophie Pic has taken the long-established culinary traditions of her family and her country, and re-imagined them through a contemporary and exhilarating approach to texture, form and flavor.

The book includes 50 recipes that, like those of another culinary inventor, Heston Blumenthal, both inspire and amaze. From foams and emulsions, to working with sous-vide and siphons, the recipes transform the everyday, and the not-so-everyday, into the extraordinary.

Throughout the book Pic delivers insights into her creative process, including the interplay of imagination and memory in creating dishes, and the associations between flavours and textures that make her cooking unique.
