LIFE, AMERICA and the ROAD to KEY WEST A Biker's Perspective

Jefe Smith

LIFE, AMERICA and the ROAD to KEY WEST A Biker's Perspective Jefe Smith

The road continues to beckon and Jefe rides again across our country, traveling from San Diego to Key West over old roads and new. His enthusiasm and fascination with the road, the beauty of the land and life itself flow with the same irreverent and less than G-rated, short story style of his first book, LIFE, AMERICA and the ROAD A Biker's Perspective. If you are looking for a motorcycle travelogue or a biker gang novel, select a different book. The stories in this book describe the feel and spirit of a cross-country ride, enriched with reflections on parts of life and America that float into the perspective of a long rider on empty two-lane roads. The result is a multifaceted, fulfilling journey that entertains with colorful characters and an introduction to little-known places and their history. You may come away with thoughts to incorporate into your own search to live life well and for sure you'll find yourself with the desire to get off your ass and on the road again.
