OUT OF LINE

Desperate to break free...

I've spent my entire life under my father's thumb, but now I'm finally free to make my own choices. When my roommate dragged me to my first college party, I met Finn Coram and my life turned inside out. He knows how to break the rules and is everything I never knew I wanted. A Marine by day and surfer by night, he pushes me away even as our attraction brings us closer. Now I am finally free to do whatever I want. I know what I want. I choose Finn.

Trying to play by the rules...

I always follow orders. My job, my life, depends on it. I thought this job would be easy, all the rules were made crystal clear, but when I met Carrie Wallington, everything got muddy. She's a rule I know I shouldn't break, but damn if I don't inch closer to the breaking point each time I see her. I'm ready to step out of line. And even worse? I'm living a lie. They say the truth will set you free, but in my case...

The truth will cost me everything.

OUT OF TIME

Desperate to keep him...

I've finally gotten everything I ever wanted: love, freedom, happiness, and, most importantly, Finn. Our love is everything I expected it to be and more. We've finally found each other, but the world seems determined to tear us apart. We thought my father was the only obstacle between us, but now it's the military. With Finn's departure looming, we're squeezing in every moment together before we run out of time.

Trying to make every moment count...

Being Carrie's bodyguard was one thing. Being her boyfriend is another. Every day she's mine is a day the sun shines in my life. Yet our time together is running out. Her father will never think a tattooed Marine will be good enough, so I'll do whatever it takes to be worthy of her love. But the road will take me away from the girl who makes me feel alive—the girl I can't live without.

Time only gets us so far...

OUT OF MIND

Reaching for sunlight...

Finn survived the ambush and came home to me, but in his head, the battle is still raging. He's falling apart and I'm trying my best to pick up the pieces of him, to find the us we used to be. I love him as much as I ever did, but love isn't enough to fix this. I thought telling my father about our relationship would be the hardest thing we'd ever have to face. I was wrong.

Lost in shadows...

All I wanted was to be worthy of Carrie. One mission, just one, and I'd be able to give her the future she deserved. Then everything went wrong, leaving me tainted and broken. Carrie wants me to be who I was, but all that's left is what they made of me. I'm no good for her. No good for anyone like this. I have to figure out how to move forward. Alone.

Sometimes love isn't enough...
