## The Crescent Spy Michael Wallace

Writing under a man's name, Josephine Breaux is the finest reporter at Washington's *Morning Clarion*. Using her wit and charm, she never fails to get the scoop on the latest Union *and* Confederate activities. But when a rival paper reveals her true identity, accusations of treason fly. Despite her claims of loyalty to the Union, she is arrested as a spy and traitor.

To Josephine's surprise, she's whisked away to the White House, where she learns that President Lincoln himself wishes to use her cunning and skill for a secret mission in New Orleans that could hasten the end of the war. For Josephine, though, this mission threatens to open old wounds and expose dangerous secrets. In the middle of the most violent conflict the country has ever seen, can one woman overcome the treacherous secrets of her past in order to secure her nation's future?
