Transformed by the Super Soldier Serum from a 97-pound weakling into Captain America, Steve Rogers led the charge to liberate the world from the Axis powers. But before World War II's end an accident left him frozen in suspended animati on and his sidekick Bucky dead. The world turned on for decades. When the Avengers finally resuscitated him, Steve Rogers was greeted by a world vastly changed. He was a man out of time tormented by the death of his partner, but no less committed to the cause of fighting evil in all its forms.
