## **Reinventar Mexico: Estructuras en proceso de cambio. Perspectiva politica, social y economica (Spanish Edition)** Laura Randall

Los analisis contenidos en esta obra, permiten al lector, primero, evaluar los exitos y los fracasos en los esfuerzos por mitigar la pobreza, instituir reformas de mercado y democratizar las instituciones politicas; segundo, valorar el impacto diferido de muchas de las medidas tomadas sobre la proporcion y distribucion del crecimiento economico, la estructura cambiante del poder politico dentro de los partidos politicos y entre estos y las organizaciones no gubernamentales, asi como las espinosas cuestiones relativas a la integracion del pais a la economia y al escenario politico mundiales. Tambien se analizan las interrelaciones a largo plazo de Mexico, Estados Unidos y Canada, que son mas extensas y profundas que las que constan en el TLCAN. Las tendencias de largo plazo del pais determinan los cambios que van ocurriendo, a menudo antes de que se incorporen a tratados.
