Billy Joel: The Definitive Biography

Fred Schruers

Billy Joel: The Definitive Biography Fred Schruers **The long-awaited, all-access biography of a music legend**

In *Billy Joel*, acclaimed music journalist Fred Schruers draws upon more than one hundred hours of exclusive interviews with Joel to present an unprecedented look at the life, career, and legacy of the pint-sized kid from Long Island who became a rock icon.

Exhibiting unparalleled intimate knowledge, Schruers chronicles Joel's rise to the top of the charts, from his working-class origins in Levittown and early days spent in boxing rings and sweaty clubs to his monumental success in the seventies and eighties. He also explores Joel's creative transformation in the nineties, his dream performance with Paul McCartney at Shea Stadium in 2008, and beyond.

Along the way, Schruers reveals the stories behind all the key events and relationships—including Joel's high-profile marriages and legal battles—that defined his path to stardom and inspired his signature songs, such as "Piano Man," "Scenes from an Italian Restaurant," "New York State of Mind," and "She's Always a Woman." Throughout, he captures the spirit of a restless artist determined to break through by sharing, in his deeply personal lyrics, the dreams and heartbreaks of suburban American life.

Comprehensive, vibrantly written, and filled with Joel's memories and reflections—as well as those of the family, friends, and band members who have formed his inner circle, including Christie Brinkley, Alexa Ray Joel, Jon Small, and Steve Cohen—this is the definitive account of a beloved rock star's epic American journey.
