Key West on the Edge: Inventing the Conch Republic (Florida History and Culture) Robert Kerstein

Neither Florida nor Cuba; neither American nor Caribbean

“Key West is an island steeped in lore, from Hemingway to Fantasy Fest, but behind the façade of Margaritaville lie buried tensions and conflicts in need of examination. Kerstein provides a much-needed dose of reality in the form of a masterfully researched study of the island’s tourism industry, from the shadowy power brokers who pull the strings to the underpaid workers who serve the drinks. From seedy bars to trendy discos, Kerstein has managed to capture the improbable mixture of this strange island, while offering a cautionary tale of tourism run amok.”—Robert Lee Irby, author of *7,000 Clams*

“An exemplary study and a cautionary tale that should be read by everyone interested in the suicidal course of a society driven by an irrational and self-destructive compulsion to erase differences in the pursuit of the almighty dollar.”—Brewster Chamberlin, author of *Mario Sanchez: Once upon a Life*

Key West lies at the southernmost point of the continental United States, ninety miles from Cuba, at Mile Marker 0 on famed U.S. Highway 1. Famous for six-toed cats in the Hemingway House, Sloppy Joe’s and Captain Tony’s, Jimmy Buffett songs, body paint parade “costumes,” and a brief secession from the Union after which the Conch Republic asked for \$1 billion in foreign aid, Key West also lies at the metaphorical edge of our sensibilities.

How this unlikely city came to be a tourist mecca is the subject of Robert Kerstein’s intrepid new history. Sited on an island only four miles long and two miles wide, Key West has been fishing village, salvage yard, U.S. Navy base, cigar factory, hippie haven, gay enclave, cruise ship port-of-call, and more. Duval Street, which stretches the length of one of the most unusual cities in America, is today lined with brand-name shops that can be found in any major shopping mall in America.

Leaving no stone unturned, Kerstein reveals how Key West has changed dramatically over the years while holding on to the uniqueness that continues to attract tourists and new residents to the island.

So , for every you who want to start examining as your good habit, you are able to pick Key West on the Edge: Inventing the Conch Republic (Florida History and Culture) become your starter.

Paula Salas:

As a student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on

this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Key West on the Edge: Inventing the Conch Republic (Florida History and Culture) can make you feel more interested to read.
