Managerial Economics: A Problem-Solving Approach

Nick Wilkinson

Managerial Economics: A Problem-Solving Approach Nick Wilkinson

This textbook covers all the main aspects of managerial economics: the theory of the firm; demand theory and estimation; production and cost theory and estimation; market structure and pricing; game theory; investment analysis and government policy. It includes numerous and extensive case studies, as well as review questions and problem-solving sections at the end of each chapter. Nick Wilkinson adopts a user-friendly problem-solving approach which takes the reader in gradual steps from simple problems through increasingly difficult material to complex case studies.

From reader reviews:

Karen Partain:

Hey guys, do you desire to find a new book to read? Maybe the book with the title *Managerial Economics: A Problem-Solving Approach* suitable to you? Often the book was written by renowned writer in this era. The particular book entitled *Managerial Economics: A Problem-Solving Approach* is the one of several books which everyone reads now. This book was inspired a lot of people in the world. When you read this guide you will enter the new dimension that you ever know ahead of. The author explained their concept in the simple way, thus all of people can easily be aware of the core of this reserve. This book will give you a lot of information about this world now. So you can see the represented of the world on this book.

Christopher Williams:

The reason why? Because this *Managerial Economics: A Problem-Solving Approach* is an unordinary book that the inside of the guide waiting for you to snap that but latter it will surprise you with the secret the item inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning completely. So, it is good for you for not hesitating having this any more or you going to regret it. This amazing book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking way. So, still want to hold off having that book? If I ended up you I will go to the book store hurriedly.

Carolyn Rolon:

Are you kind of busy person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill also analytical thinking? Then you are having problem with the book compared to can satisfy your small amount of time to read it because pretty much everything time you only find e-book that need more time to be study. *Managerial Economics: A Problem-Solving Approach* can be your answer because it can be read by a person who have those short extra time problems.

Jason Buckley:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this *Managerial Economics: A Problem-Solving Approach* can make you truly feel more interested to read.
