THE HERBALIST (Books 1-5) Leslie Leigh

Murder & Moonflowers

Melissa Michaels is an herbalist and nutritional healer operating a market in the sleepy town of Catalonia, Arizona. When a client dies mysteriously from something even the Medical Examiner cannot decipher, gossip runs amuck and local law enforcement officials make wild speculations.

Narcissus & Nightshade

Contemporary artist, Jim James's death appears to be suicide, but when Deadly Nightshade shows up in his system, herbalist Melissa Michaelson begins to question the mysterious circumstances surrounding his death.

Oblivion & Oleander

One obvious murderer, at least three victims, too many suspects, and one falsely accused. It all adds up to a sum that's greater than its parts. An old high-school chum of Melissa's hires Brian as she suspects foul play in her father's death. But because he was a hospice patient, things are handled routinely, and the body is embalmed before Brian and Melissa can get all the info they need.

Foxglove & Funerals

Brian's maneuvering gets Melissa a get-out-of-jail-free card, but without the evidence, what will happen next? Thanks to Melissa's mom, Brian convinces her to take a trip to see her mother in California, but when she gets there, one of her mom's neighbors has dropped dead. When a thirty year old poison recipe turns up out of a Book of Shadows, Melissa is on the trail of the killer.

Elegies & Elderberries

No clues, crazy alibis, and hushed employees make solving a murder case difficult for Melissa and Cochise County's Detective Muller.
