We live in a time when millions of Americans are not aware of their history. Many people do not have even a basic understanding of the ideas of the Founding Fathers - the principles they believed in, fought for and even died for. *Understand Your Rights Because You're About to Lose Them!* shows how the most fundamental individual rights our Founders fought and bled for are now at risk. You will learn: \*Why the Founding Fathers wanted to replace the Articles of Confederation with a new Constitution. \*Why some Founders wouldn't accept the Constitution without the addition of a Bill of Rights. \*The history and purpose of each Amendment to the US Constitution in the Bill of Rights. \*The rights each amendment protects and why those rights are just as important today as they were to the Founders. \*How our most basic rights are being threatened today and, even more importantly... \*What to do about it. In addition, you will receive America's most important founding documents, including: \*The Articles of Confederation \*The Declaration of Independence \*The US Constitution \*and more! *Understand Your Rights Because You're About to Lose Them!* instills a solid understanding of our basic rights as Americans. After reading this book, you will be sure to recognize government overreach when you see it by politicians. The days of Americans being ignorant of the Constitution and their individual rights must come to an end. By reading *Understand Your Rights*, you will be well equipped to help reverse the decay in modern American life. The America we have always known is disappearing before our eyes, but if we will educate ourselves about the principles in this book and put them to practice, we will see a turnaround in this nation and our BEST days will be ahead of us!
