Charming the Prince Teresa Medeiros

He never lost a battle until he met the one woman who might succeed in... **Charming the Prince.**

Dear Reader,

My enemies know me as Lord Bannor the Bold, Pride of the English and Terror of the French. Never in my life have I backed down from any challenge or betrayed so much as a hint of fear--until the war ended and I found myself a reluctant papa to a dozen unruly children.

Realizing that I couldn't lop their little heads off or throw them in the dungeon, I sent my steward out to find them a mother and me a bride--an attractive, meek, maternal creature too plain to tempt me to get her with child. You can imagine my horror when he returned with Lady Willow of Bedlington, a spirited beauty who made me think of nothing else!

With her cloud of dark curls and the sparkle of passion in her eyes, Willow was everything I'd sworn to resist. I never dreamed she would join forces with those mischievous imps of mine to teach this cynical warrior just how sweet surrender can be.

Bannor the Bold,
Lord of Elsinore
