Friendship Redeemed: How the Gospel Changes Friendships to Something Greater

Adam Holland

Friendship Redeemed: How the Gospel Changes Friendships to Something Greater Adam Holland
Friendship Redeemed is an examination of how the gospel influenced and shaped Paul's understanding of friendship. Pastors, students, and teachers alike---and anyone who desires to grow in their understanding of biblical friendship---will find this work to be a helpful resource, both in regards to readability and substance. Friendship Redeemed examines the topic of friendship through the lens of the metanarrative of scripture. The conclusion is that the gospel calls the Christian to a unique and counter-cultural view of friendship. This book will serve as a tool for helping believers to learn to live and think with a biblical worldview concerning the topic of friendship.

"My dearest friends have been in my life in the depth of pain and the heights of beauty while rolling with me through all of the mundane that exists between the two. Deep friendship requires risk, pain, forgiveness, and return. Its there in the festive celebration & by the graveside of loss. Jesus is our greatest example of friendship as he opened his arms wide, moved toward us in our brokenness and chose us! Jesus walks in friendship while speaking truth into our hearts, healing us all along the way. This gospel gives us news eyes and a new way to view & live in friendship & this book will give you a view into the beauty of the Gospel & how it really does transform friendship.

Charlie Hall

Worship Arts & Liturgy Pastor

Frontline Church Oklahoma City

A member of the Passion Worship Band

"Paul is often viewed as the model missionary, pastor or prayer warrior! He is not generally known for his friendships. Yet there is so much to glean from this rich aspect of his life. Holland is a good & helpful guide in taking us into Paul's friendships & in doing so exhorts us in our own, both to enjoy the gift they are & the good they do in helping us grow in conformity to Christ."

Founder of The Crowded House, a Director of Acts 29 Europe. Author of Gospel-Centered Leadership and co-author of Total Church and Everyday Church. Steve is a board-member of the Biblical Counseling Coalition.

"Here is a spiritually uplifting study of friendship, a Gospel theme too much neglected in theology today. A worthy guide for all friends of the Savior on the pilgrimage of faith."

Timothy George is the founding Dean of Beeson Divinity School of Samford University and general editor of the Reformation Commentary on Scripture.

Few things are more wonderful than a true friendship, yet our thoughts about friendship are often thin & our practices weak. Adam Holland has written a bright, accessible, Christ-centered account of true friendship that gives every reader an opportunity to deepen their ideas & habits. The core of the book is a unique series of studies in Paul's friendships. Linked with chapters on friendship, the gospel, & the kingdom, this book is ideal for discipleship studies.

Dr. Dan Doriani

Vice President of Strategic Academic Projects and Professor of Theology at Covenant Theological

Seminary

In a world like ours, "friends" are easy to make on social media, but real friends can be hard to come by. In this book Adam Holland explores a set of ancient characters, bound together through their friendship with the apostle Paul. Each of these comes to life in the lively pen portraits Adam presents, depicting their lives & ours as closer than we might imagine. He deals with the difficulties as well as the joys of real friendship, & grounds all these connections not just in Paul's friendship they shared, but in friendship with Jesus that all of us share. This book sheds light on friends, on these New Testament figures & their friend Paul, & on a neglected gift of the Gospel.

Andrew McGowan

Dean and President of Berkeley Divinity School and McFaddin Professor of Anglican Studies and Pastoral Theology at Yale University.
