The Lost World (Modern Library Classics)

Sir Arthur Conan Doyle

The Lost World (Modern Library Classics) Sir Arthur Conan Doyle

In **The Lost World**, the first in a series of books to feature the bold Professor Challenger—a character many critics consider one of the most finely drawn in science fiction—Challenger and his party embark on an expedition to a remote Amazonian plateau where, as the good professor puts it, “the ordinary laws of Nature are suspended” and numerous prehistoric creatures and ape-men have survived. “Just as Sherlock Holmes set the standard—and in some sense established the formula—for the detective story . . . , so too has **The Lost World** set the standard and the formula for fantasy-adventure stories . . . ,” Michael Crichton writes in his Introduction. “The tone and techniques that Conan Doyle first refined in **The Lost World** have become standard narrative procedures in popular entertainment of the present day.”
