This "Complete Encyclopedia of Vintage Cars" contains the most beautiful, eye-catching, ugliest and strangest cars produced since the 1880s. It contains information on the many makes that were around only briefly before disappearing from the market after just a couple of successful or less successful models had been produced. The book also contains information on the makes that can still be seen on our roads today, and the factories that survived two World Wars and a devastating economic crisis. In this "Complete Encyclopedia of Vintage Cars, 1886-1940" the reader will find information on a canvas three-wheeler, impressive sports cars and everything in between. --- Informative text with over 800 colour photographs which features: -- the history of the make and its founder; -- a description of the models; -- technical information and production figures; -- a handy index.
