The short story is often viewed as an inferior relation to the Novel. But it is an art in itself. To take a story and distil its essence into fewer pages while keeping character and plot rounded and driven is not an easy task. Many try and many fail. In this series we look at short stories from many of our most accomplished writers. Miniature masterpieces with a lot to say. In this volume we examine some of the short stories of Rudyard Kipling. Rudyard Kipling: great Victorian, great writer of empire, great man. From The Jungle Book to The Man Who Would Be King to a great and voluminous body of poetry, featuring works of the calibre of "If" and "On The Road To Mandalay", here shows us another facet of his truly incredible talent: ghost stories. Collected for your reading pleasure are a selection of chilling, disturbing, but always entertaining stories from a man at the top of his craft and always aware of his effect on the minds of us mere mortals. Many of these stories are also available as an audiobook from our sister company Word Of Mouth.
