The Sinking of INS Khukri: Survivor's Stories Major General Ian Cardozo

9 December 1971. 8.45 p.m. Torpedoed by a Pakistani submarine, the INS Khukri sank within minutes. Along with the ship, 178 sailors and 18 officers made the supreme sacrifice. Last seen calmly puffing on his cigarette, Captain Mahendra Nath Mulla, captain of the Khukri, chose to go down with his ship. This defining moment of the 1971 war between India and Pakistan is the basis of Major General Ian Cardozo's attempt to understand what happened that day and why. Major General Cardozo brings fresh insight into the hellish ordeal by including the heartfelt accounts of the survivors and of the members of their families. These accounts transform the stereotypical understanding of the incident; they also supplement it. We glimpse fear, trauma and death at first hand. In the annals of war writing, General Cardozo humanizes this cataclysmic event as never before.

So , for all you who want to start looking at as your good habit, you can pick The Sinking of INS Khukri: Survivor's Stories become your current starter.

Grady Comer:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Sinking of INS Khukri: Survivor's Stories can make you truly

feel more interested to read.
