"The United Nation States Sponsored Genocide With The Opening Of The Seven Seals " is a journey out of the darkness into enlightenment, the truth. I wrote this book because people are scared to stand up and tell the truth for fear of being ostracized by the government, their friends and everybody around them and they would rather follow their leaders over the cliff into the abyss then to make their own way in life, be their own man or woman, a leader. This is what is happening in the United States and the world as people watch their whole world fall apart around them with these emergencies deliberately created by these religions as the government forces beat down and demonize anybody willing to stand up and tell the truth as the media tells you what the government wants you to hear, to see, and to believe from birth to death.

What is going on is a well thought out plan by the "Enlightened Ones" - the "Illuminati", meaning the "Well Educated Ones", because people facing death and destruction are like a herd of cattle being attacked by wild lions that usually panic, turn their back on their own family and run the other way because they are so gripped with fear. The only way to wake you up to what is going on all around you is to break you free from years and years of intimidation, brainwashing and indoctrination using "Shock Therapy". The truth is a hard thing to fathom and most people would rather become complacent and live in their own fantasy world and deny the truth but in the end you are only lying to yourself.

The people that are enslaving you are doing everything in their "Power" to keep you brainwashed and indoctrinated because they know that their "Mind Control" is all in your head and if you ever wake up and see the truth you will know that you can easily break free. Are you willing to stand up and be a man or woman and face the truth or would you rather remain a captive and slave all your life to your "Master", the people with the "Masters Degrees", the "Witch Doctors" with the "Doctorates" who are indoctrinating you and telling you what to think, what to believe and how to act from birth to death?

Don't be like the alcoholic or the Drug Addict denying the truth, living in a haze thinking he or she doesn't have a problem because you are just like an "Addict" hooked on a bunch of lies and "Shock Therapy" is the only means of therapy left to cure you.

The problem with an "Addict" is the same as a person who has been "brainwashed", they deny the truth and are willing to sacrifice their lives and destroy everybody's life around them, like the "Fan-addicts" in the Middle East who have been brainwashed by their Government sponsored religions like Islam, Judaism, and Christianity in the past to kill innocent men women and children.

I'm here to wake up the people of this world who have been lied to by their governments, government sponsored religions like Christianity, Islam and Judaism for thousands of years. All of this started back in Egypt thousands of years ago with the great Pharaohs, religious scribes, law givers, Legislature or (government houses) lawyers who wrote all the laws and told the people how to live from birth to death and were almighty God to their people and the Devil in disguise. This is where it all started in ancient Egypt with the African Pharaoh Jesus and the hieroglyphics are the written records. Out of all this religious dogma came

the one world religious governments of Judaism, Christianity and Islam which became the federal state and local laws, both criminal and civil throughout the world. Religions are those one world orders with Jesus, David and Muhammad in charge; none of which are God or represent God.

You can't separate church, mosque or synagogue and the states because the Churches, Mosques and Synagogues were the governments.
